

Art for Health

A Project of The Women's & Children's Health Center and The Art of Music

The Art for Health program presents a series of FREE workshops for children focused on music and art, using performance, demonstrations and other activities. All classes will be held at the Children's Center at Door County Memorial Hospital at 2:00, 3:00, 6:00 and 7:00 p.m. (Classes run approximately 45 minutes) Classes will be for children ages 4-12 years old.

ALL CLASSES ARE **FREE** AND FACILITATED BY NATIONAL TOURING ARTIST DOROTHY SCOTT.

Wednesday, March 4

Paint Me a Song

Children will get to listen to music and then paint the colors and shapes and images that they hear.

Wednesday, April 1

Peanut Butter & Jam Sessions

Children will get the opportunity to experiment with all different types of musical instruments and then play in a jam session with Door County musicians

Wednesday, May 6

Mom and Me - Art on the Wild Side

Children will learn about music and rhythm and participate in activities that focus on music and language.

Wednesday, June 3

Developing Creative & Cognitive Skills Through Art

This is a class for children with cognitive difficulties, communication disorders or learning disabilities. Children in the class will get to work one on one with an Art of Music personal assistant.

Wednesday, July 1

Broadway Song Birds

Children will sing, dance and have a blast in this exciting music and performance class.

Wednesday, August 5

The Beat and Beyond

Children get to create six instruments related to six cultures including a Native American drum, maracas, didgeridoos and rain sticks.

Wednesday, September 2

A Poem in your Pocket & Beads of Courage

This is a class designed for children and adults coping with serious illness.

Saturday, September 26

Public Performance at our "Celebration of Community" at the Door Community Auditorium

Participants in all of the classes will participate in a public performance with three nationally acclaimed artists.
